The Herald's Letter Box

Los Angeles, Cal., Dec. 23, 1917
Editor Herald: Quite unexpected for me as well as you, that my Xmas greetings and best wishes for a happy New Year to you and all Dakota county friends come from sunny California. If it were not for the miniature decorated Xmas tree standing in front of the Examiner building, Main street, I could not realize Xmas is so near, for there are many green trees, such as orange, palms, different sorts of evergreen, and others. The flowers are beautiful. We thought it beautiful in Oregon, but it is more so here, only I fear the summer heat. The city is over-crowded with pleasure seekers. Foreigners, as we call ourselves, foremost suffer with the heat, especially at mid-day, but the Californian wears a winter coat and calls it cool weather. The Herald follows me where I go and is such a comfort in this strange land.

Johanna Mundy.

La Crosse, Wash., Dec. 27, '17
Dear Mr. Ream: Enclosed find draft for the Herald for another year. Well, John, the Dakota county people that are in Washington all seem to be in good health, and have had another fairly good year—and have use for it in these war times, as you and all of us know.

We are all well, and wish you and yours a happy and prosperous year for 1918.

Your friend,
W. P. Rathbun.

French People Identify By Their "Bull" Durham Tags!

READ THIS

BY FLOYD GIBBONS.
(Special Cable to Chicago Tribune.)
BASE OF AMERICAN TROOPS IN FRANCE. June 28.—[Delayed.]—The first contingent of the American expeditionary forces has disembarked in France.

Symbol of Identification.
One common symbol of service in both our army and navy has been accepted, as distinctive by the French peasants, it is a little black and white paper tag that hangs by a piece of yellow string from the left hand breast pocket of the service shirt or the navy jacket. This identifies the bearer as possessor of a pack of a well known tobacco brand and has been adopted as uniform equipment.

This photograph of Private T. H. Grant of First Illinois Infantry shows how the Army carries "Bull" Durham—the familiar tag hanging from breast pocket.
